

Versione 5.3.0.201

New auto-update mechanism (no longer clickonce)
You can now uninstall the old clickonce version from control panel

	Git	Microsoft Development Community	12/08/2025	5.3.0.201
	GitDevelopmentCreator	GitDevelopmentCreator	11/08/2025	5.3.0.45

The new default folder for installation is in
c:\programdata\GitDevelopmentCreator
You can now "pin" the GitDevelopmentCreator shortcut anywhere on your
computer, (the old version won't update if pinned on the taskbar)

Versione 5.1.0.31

Is now possible to execute "dotnet run" command for a single service
